

Hello I am a Virus.

also known as germs,

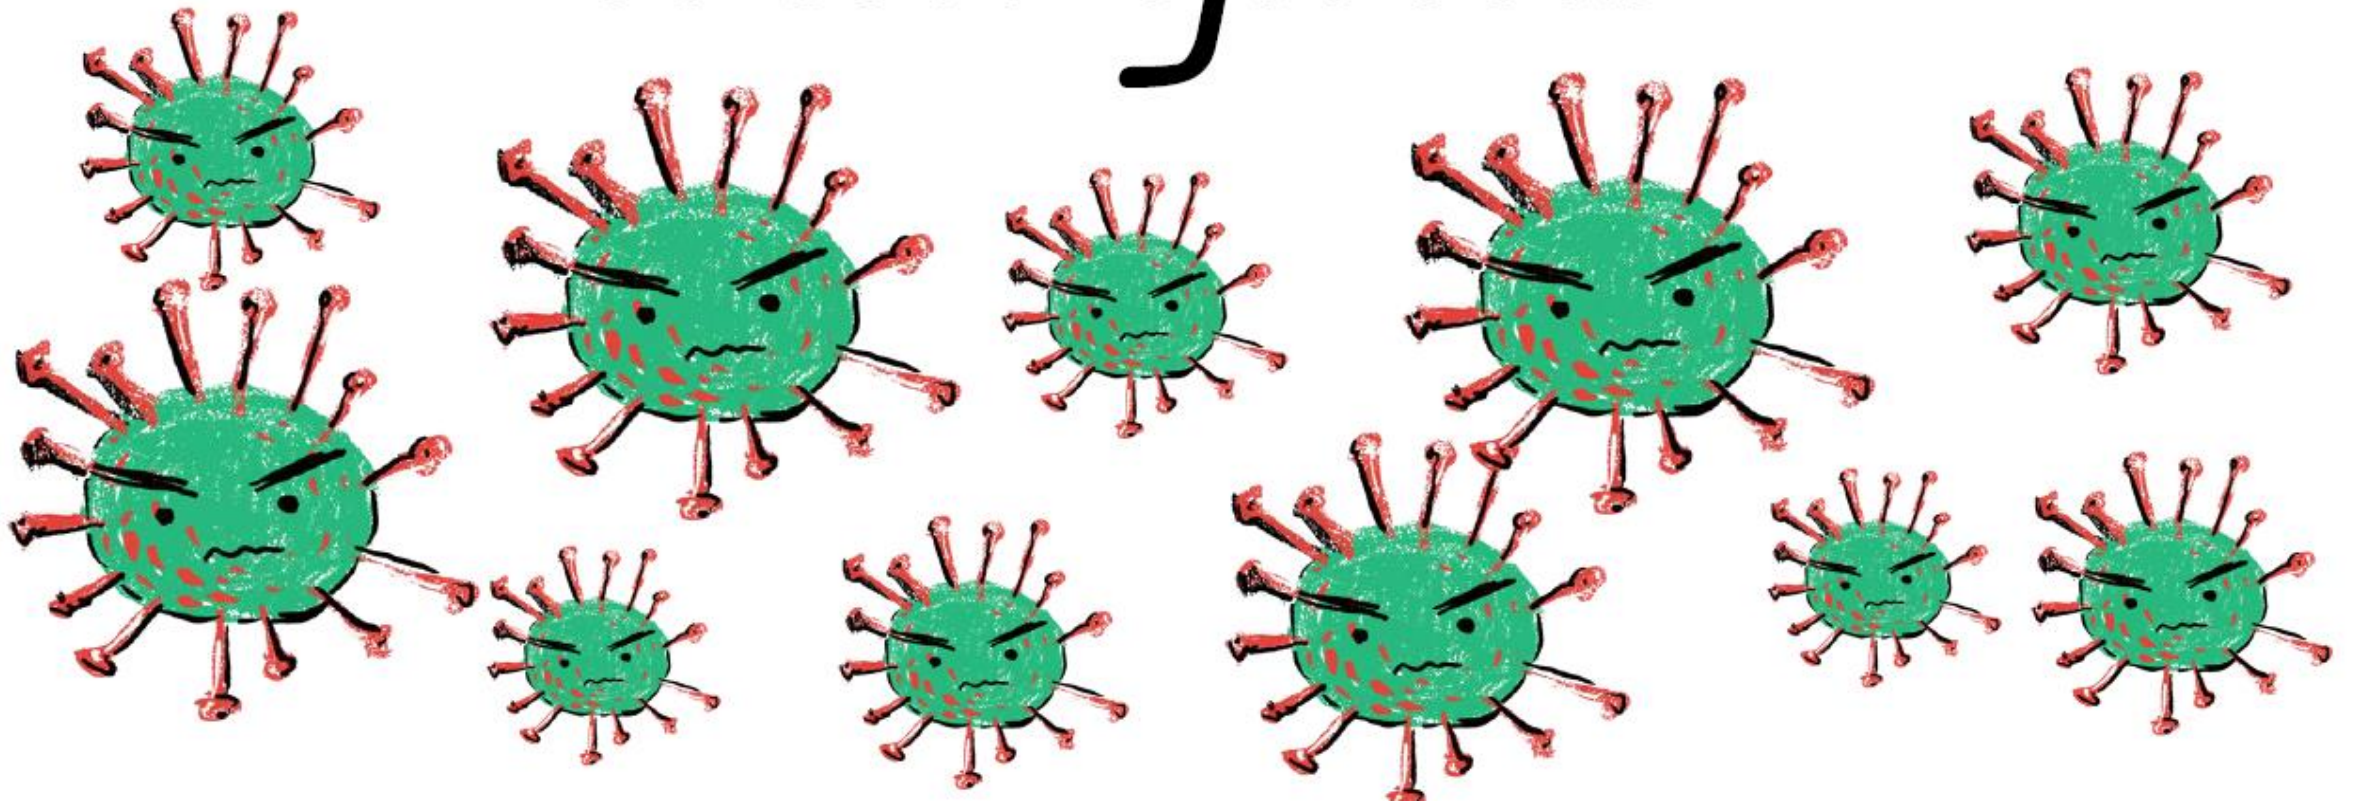

COVID 19

Coronavirus

Anything that makes us sick.

How to stay safe from germs!

Germs are so small
you can't see them!

Some germs are very bad.
Some germs can make
you sick.

Germs like to live on your hands.

When you touch your face,
germs can move on to
your face!

STOP! Please do not touch your face!

STOP! Please do not put your pencil in your mouth!

How can you stay safe?

Wash your hands.

Stay safe!
Sneeze and cough
into your elbow.

Stay safe!
Sneeze and cough
into a tissue.

Stay safe!
Use the tissues in our
classroom.

Stay safe!
Put your used tissues
in the bin.

*Remind your friends to stay safe
from germs at school too!*
